Note A: When diesel fuel prices equal or exceed $5.00 per gallon, the LTL and TL fuel surcharge continues to increase 0.1% with
every one-cent increment. For example, when the index is at least 500 but less than 501, the LTL surcharge will be
44.1% and when the index is at least 501 but less than 502, the LTL surcharge will be 44.2%.
